

# APPERLEY MACHINES

## USED MACHINE DETAILS

Make: Apperley Honing Machines

Model:- 5m Tubehone *Stock Reference-AS135*

Description:- This is the very first Apperley Tubehone ever built, and has been used in our contract honing workshop since new. Although now 30-odd years old it is exceedingly reliable, with only the odd oil leak letting it down. Over the years it has been regularly upgraded with new electrics and control systems, and is a proven tough rugged tube hone capable of honing parts 25 -125mm diameter up to 5000mm long. The control system is so smooth that with special tooling it can hone down to 6mm diameter, and so powerful that it can hone up to 500mm diameter should the need ever arise.

Price:- £29,800 (+VAT for UK sales)

Terms:- Pro-forma. FCA (loaded on your transport, ex-works Cheltenham)

Tooling:- Price includes tooling for all bores between 25 -50mm diameter.

Training:- Training offered from £450/day (plus expenses)
