

Used Machine Details

Make: - Delapena *Stock Reference AS240*

Model:- Speedhone EM *Serial Number 051 9505*

Description:- A fine example of Delapena's last generation Speedhone EM machine. Introduced in 1992 the EM replaced the original Speedhone's mechanical drive with a variable speed 1.5kW rotation motor which benefits from being able to electronically control the spindle's acceleration & braking throughout it's design range of 250 -2500rpm. Much better suited to small bore work than the original Speedhone, the EM is perfect for jobbing shops & toolroom work.

Price:- **£4,750** (+VAT for UK sales)

Terms:- Pro-forma. FCA (loaded on your transport, ex-works Cheltenham)

Tooling:- New and used tooling is available at additional cost
