

APPERLEY MACHINES

USED MACHINE DETAILS

Make: Barnes

Model:- Number 6

Stock Reference-AS242

Description:- An exceedingly powerful, constant force push expansion tube honing machine, capable of honing bores up to 800mm diameter and 4.5m long. We are in the process of overhauling and repainting this machine and will, in due course, be proving it in our sub-contract honing shop. It is great workhorse and has many years of service left in it.

Price:- £43,750 (+VAT for UK sales)

Terms:- Pro-forma. FCA (loaded on your transport, ex-works Cheltenham)

Consumables:- Start-up package of consumables to include coolant, honing stones and polishing cloth from £2,250.00

Training:- Training offered from £480/day (plus expenses)
