

USED MACHINE DETAILS

Make: Apperley Honing Machines

Model:- 2m Tubehone

Stock Reference-AS305

Description:- This machine was the first of the second generation Tubehones, built in 1988, and it has been used as a demonstrator model & production hone in our own machine shop ever since. It is a proven tough rugged tube hone capable of honing parts up to **2000mm long**. We have recently added an additional component clamp bed allowing it to hone parts with an o/d of up to 1-metre. The control system is so smooth that with special tooling it can hone down to 6mm diameter, and so powerful that it can hone up to 750mm diameter.

Price:- £33,700 (+VAT for UK sales)

Terms:- Pro-forma. FCA (loaded on your transport, ex-works Cheltenham)

Tooling:- Price includes tooling for all bores between 25.0 -100.0mm diameter.

Training:- Training offered from £450/day (plus expenses)
