

APPERLEY MACHINES

Used Machine Details

- Make:- Sunnen *Stock Reference AS117*
- Model:- CK-21 Cylinder King *Serial Number 3V1-1017*
- Capacity:- 19 –203mm diameter, work pieces up to 450mm.
- Description:- The CK-21 is the third generation of Sunnen's popular Cylinder King range of honing machines and is ideal for honing cylinder bores and is perfect when tricky plateau surface finishes are required. The machine is computer controlled and adjustments to the spindle and stroke speeds, expansion feed rates and bore geometry can be carried out at any point in the automatic cycle directly from the operators control panel. This version is in excellent condition, we acquired it direct from Sunnen UK, and it has only had light use since. It can be viewed running under power in our Cheltenham workshops at any time.
- Price:- £29,780 (+VAT for UK sales)
- Terms:- Pro-forma. FCA (loaded on your transport, ex-works Cheltenham)
- Tooling:- New and used tooling is available at additional cost
- Training:- Training offered from £480/day (plus expenses)
